

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF GENERAL SERVICES

DETERMINATION AND FINDINGS
FOR
SOLE SOURCE PROCUREMENT

Purchasing Agency: Department of General Services
Caption: Material Testing and Inspection & Environment Assessment
Proposed Contractor: MTI Engineering and Testing

FINDINGS

1. AUTHORIZATION:

D.C. Code Section 2-354.04 and DCMR 47, Section 4718.

2. MINIMUM NEED:

The District of Columbia, Department of General Services (“DGS or the Department”) has an immediate need for **MTI Engineering and Testing** (“The Contractor”) to provide Material Testing and Inspection & Environment Assessment.

3. ESTIMATED FAIR AND REASONABLE PRICE:

The estimated fair and reasonable price for the material testing and inspection & environment assessment is Three Hundred Fifty Thousand Dollars and Zero Cents (**\$350,000.00**).

4. FACTS WHICH JUSTIFY A SOLE SOURCE PROCUREMENT:

The Department requires the Contractor to provide material testing and inspection and environment assessment service on current and future modernization projects in accordance with all applicable local, state and federal laws rules and regulations, including but not limited to, Building Codes, relevant IB Codes and American Society for Testing and Materials references to a) prevent serious disruption in agency operations, b) ensure active construction projects are delivered timely, c) ensure higher level of quality delivery, and d) ensure safe working conditions are maintained during construction and post-construction.

Construction work and permitting for District properties cannot proceed without certifications and the Contractor's required services are provided at DGS and District of Columbia Public Schools ("DCPS") project sites where the work involves renovations of older and deteriorating structures and building and commissioning services are an essential part of the scope. Such commissioning work is an integral part of different types of construction, including demolition and renovations work.

Therefore, the Contractor's services are needed to ensure the District is in compliance with Building Codes, relevant IB Codes and American Society for Testing and Materials and to ensure that the projects are delivered timely.

5. CERTIFICATION BY THE OPERATIONAL MANAGER OF CAPITAL CONSTRUCTION SERVICES:

I hereby certify that the above findings are correct and complete.
